ab<sup>+</sup>mask

5 x REPLACEMENT  
FILTERS

 Contains 5 x replaceable FFP2  
(N95) high efficiency filters

5 X INTERCHANGEABLE FILTERS TO BE USED WITH THE  
**AB MASK - THE REUSABLE *ANTIBACTERIAL* FACE MASK.**

Designed to help decrease the spread of respiratory diseases and reduce the risk of viral transmission of airborne particles.

**CONTAINS:**

**5 x Replaceable** FFP2 (N95) filter - a 5 layered filter with high filtration efficiency, 95% protection against air polluting particles and effective for up to 40hrs use

**INSTRUCTIONS FOR USE**

Each FFP2 (N95) filter provides 95% protection from airborne particles, it is effective for up to 40 hours. The filter must be replaced before it reaches its maximum usage as it may no longer be effective against particle filtration. Used filters should be thrown away in general household waste. After disposal wash hands with soap and water or an alcohol-based hand gel. Do not exceed 40 hours usage before replacing the filter.
