

YOUR I-DROP®[®]

TREATMENT PLAN

I-DROP® PUR

The most advanced and effective preservative-free artificial tear available. Its unique viscoadaptive solution contributes to the product's superior comfort but does not blur vision. Compatible with contact lenses.

..... times per day

I-DROP® PUR GEL

Its unique formulation continually refreshes and stabilises the tear film, providing superior comfort and long-lasting, immediate relief with fewer applications.

..... times per day
