

CLEANSING ANTIMICROBIAL MAGIC...

for healthy eyelashes and ultimate retention

INTRODUCING HYPOCHLOROUS ACID

Suitable for:

EYELASH BACTERIAL GROWTH ● INFLAMMATION ○ STYES ○ BLEPHARITIS

A REFRESHING EYELID SPRAY TO
CLEANS, CALM & PROTECT

LIDS, LASHES AND SKIN.

Hypochlorous Acid is produced naturally by white blood cells in the body to defend against attacking microorganisms.

The Eye Doctor Hypochlorous Acid Eyelid Spray delivers this same technology to cleanse and reduce microbial overgrowth and inflammation on the eyelids. This helps give clients SUPERIOR EYELASH COMFORT and EXTENDED LASH RETENTION by bringing the ultimate eyelash aftercare solution into your salon.

Non-toxic and safe for everyday use. Highly effective superior eyelash hygiene for happy, healthy lashes.
